BUILT FOR A LIFETIME

Crafted from 28-gauge, non-combustible steel, Endura siding withstands fire, wind, and impact while its ENTEX® coating resists fading, chipping, cracking, or peeling for 30 years. Backed by a limited, lifetime warranty, Endura is maintenance-free and naturally moisture and pest-resistant.

ECO-CONSCIOUS DESIGN

Sustainability is built into every Endura panel, made from 100% recyclable steel with up to 80% recycled content. Proudly sourced in America, Endura combines environmental responsibility with uncompromised quality.

TIMELESS CRAFTSMANSHIP

Featuring over 20 refined colors, Endura is available in 6 versatile profiles.
